#### F. Directors Liability

KCIC is a company limited by guarantee and has a board of director in place to help govern the organization. Currently KCIC has 9 members seating in its board that bring different experiences to aid in the strategic growth of the company. As part of their role, they are required to make decisions that are implemented in the organization hence KCIC is procuring for a directors' liability cover. The objective of the cover is to protect the directors for losses that may arise out of claims made against them for which they have not been indemnified by the corporation their serving. In addition, this policy protects the directors from personal losses if they are sued as a result of serving as a board member in KCIC. Thus, KCIC is procuring for a director Liability cover as per the table below:

| DIRECTORS LIABILITY                               |               |
